

Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) - Accedian' Position

Accedian Networks Inc. ("Accedian") closely monitors developing REACH legislation globally. It is Accedian's objective to ensure that its products meet applicable REACH requirements. Accedian aims to ensure continuous compliance with applicable requirements, including measures that amend or supersede those.

Accedian Networks Inc. ("**Accedian**") closely monitors developing REACH legislation globally. It is Accedian's objective to ensure that its products meet applicable REACH requirements. Accedian aims to ensure continuous compliance with applicable requirements, including measures that amend or supersede those.

Accedian supports the overall REACH legislation objective of ensuring a high level of protection of human health and the environment, including the promotion of alternative methods for assessment of hazards of substances, while enhancing competitiveness and innovation, and has a comprehensive compliance program in place to help ensure that applicable obligations continue to be met. Accedian is strongly committed to continue working with customers and its supply chain to implement applicable REACH requirements as they continue to evolve, and help ensure continuous compliance. Additionally, Accedian works with electronics industry peers and other stakeholders to promote common regulatory and industry approaches to REACH compliance.

Accedian REACH Declaration: Duty to Communicate Information on Substances in Articles*

The delivered product and product packaging, based on Accedian's knowledge, do not contain chemical substances included on the REACH Candidate List** in a concentration above 0.1 percent weight by weight (w/w). Cables supplied with the product may contain the following substances on the Candidate List:

- Benzyl butyl phthalate (BBP) (CAS No 85-68-7, EC No 201-622-7)
- Dibutyl phthalate (DBP) (CAS No 84-74-2, EC No 201-557-4)

- Bis(2-ethylhexyl) phthalate (DEHP) (CAS No 117-81-7, EC No 204-211-0)
- Diisobutyl phthalate (DIBP) (CAS No 84-69-5, EC No 201-553-2)

This declaration will be updated as soon as we are aware that any changes occur or new relevant substances are added to the Candidate List. Information is currently provided to recipients of Accedian products in product shipment documentation and to consumers upon request. Visit this site regularly for up-to-date information.

* Regulation (EC) No 1907/2006: Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH), Article 33

** Candidate List last updated December 17, 2015. For official information on potential future additions, visit regularly: European Chemicals Agency (ECHA) Registry of Intentions website.
