2023 Skylight Summit - September 19-21

Key Takeaways

Cisco and Accedian together will accelerate our collective **“leveling up”**!

Networks are getting more complex... our comprehensive solutions are ready to meet you there.

Assurance drives efficiencies to reduce costs and accelerate top line opportunities.

2023 Skylight Summit - September 19-21

Key Takeaways

We're excited for the future.
The opportunities are extensive.

There's never been a better time to partner with Accedian.

Stay tuned for what's next!

Communications channels are open!

- Touch base/stay in touch with your Accedian account managers
- Send questions to:
ciscotransition@accedian.com
- Last chance! Send us your Q&A and Skylight feedback with the QR code

Thank you for your continued partnership and your support of Accedian and our solutions over the years.

You are the reason we do what we do, and we are grateful for your trust in us.

We are committed to continuing our quest in making Skylight the best service assurance solution on the market to solve your current and future performance visibility challenges.

Thank you Skylight fans!

**We're Leveling Up
Together!**
